\$550* for hydraulic cranes

\$650* for lattice boom cranes

Safety inspection includes:

- Damage inspection, including frame, boom, and checking outriggers for cracked welds
- LMI, A2B, and angle indicator operational check
- Wire rope, hook block and safety latch, decals/load charts, glass, safety items
- Inspect hook block ball and becketts
- Inspect linings and master clutch (If equipped)
- Check boom alignment, boom retract cables, gauges, belts
- Check brake operation

Stephenson Equipment fully endorses the national certification program offered by the National Commission for the Certification of Crane Operators (NCCCO).

An estimate for any required repairs will be provided.

** Within a 25 mile radius of any Stephenson Equipment branch location. Beyond 25 miles, travel charges apply.*
